REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The tradition of excellence continued during the 2011-2012 school year Landrum High once again received a Gold award for academic achievement. Over 50% of Landrum High Seniors qualified for the Life Scholarship and over half of the seniors graduated with honors. Landrum produced 6 Palmetto Fellow recipients and graduated 4 Citizens Scholars. The Senior Class received \$5,411,241.00 in Scholarship money with one student recognized as a National Merit semi-finalist.

Once again the Landrum Cardinals excelled in athletics with 6 Region Championships and 3 Upper-State titles. The Football team posted a 9-3 record which was the most wins ever by a Cardinal football team. Landrum again won Region titles in Track and Cross Country. Landrum High School Basketball played for the Upper-State title and girls Softball was in Upper-State Finals. Several of our seniors will go on to play at the Collegiate level next year.

The Arts Department had another outstanding year with the School having its second consecutive drama production. This year the School did the Wizard of Oz with students from all across the curriculum getting involved. The Landrum High School Marching Band finished sixth in State competition and the School had the most students ever compete in band and string spring ensemble. Our Art Department continues to excel with student work hanging in businesses all over the Spartanburg area. The Art Department also had an Artist In Residence come and work with student with color.

Landrum High continues to excel in helping students that are behind. The School has a very intensive RTI Program that identifies struggling students and a 3 tier approach to help these students in need.

Landrum High will continue literacy initiatives next year with a focus on writing across the curriculum and literacy initiatives used for student engagement. Landrum High will continue to perfect the research component of the curriculum and begin to mold our research and writing to the new common core standards.

Sincerely,
Brian J. Sherman, Principal
Kim Keith, SIC Chairman
